Q. Write a composition on Summer season.

Summer Season

Summer season is my favourite season. It starts from the month of April and lasts till the month of June. During Summer, the days are longer and the nights are shorter. Well, ponds and lakes dry up during this time. There is scarcity of water everywhere. We get mangoes, watermelon and litchi in this season. All these are my favourite fruits. We get a long vacation during this season. We use umbrellas and sunglasses to save ourselves from heat.

The Park

There is a beautiful park near my house. It has big trees, flower plants and a few benches to sit. It has a seesaw and two swings for children. Many people visit

this park every evening.Children play together happily here.We get fresh air here.Some people do yoga and other exercises also.

It is an open place for everyone.I like to play with my friends here.
